

Arun Timalisina

IT STUDENT

About Me

I am Arun Timalisina, a Bsc.csit student currently based in Lalitpur, Nepal. I have a strong interest in technology and IT, which led me to study Computer Science. I have previously studied at Shree Bajrabarahi secondary school and have work experience as a Digital Service Manager. Currently, I am associated with Canva Nepal. I am passionate about learning and expanding my skills in the IT field. Feel free to contact me via phone or email if you have any questions or would like to connect.
